Vikalpa: The Journal for Decision Makers is a quarterly publication of the Indian Institute of Management, Ahmedabad, India. Its objective is to disseminate concepts of professional management and contribute to a better understanding of the context, resources, structures, systems, processes, and performance of organizations. Its focus is on applied research and reflections that are relevant to practising managers and meet the standards of academic rigour. It has a special emphasis on management issues that are relevant to emerging economies.

Every issue of the journal carries many features: Perspectives, Research, Interfaces, Notes and Commentaries, Colloquium, Management Case, Case Diagnoses, and Book Reviews. (Please see Guidelines for Authors for details). Authors can submit their contributions under any of these features.
